Thread: [\[SHOPIFY STORE\] Selling My Complete Shopify Store](#)

SilverAmerican - April 2, 2020, 9:44 pm

I am selling my Shopify Store as I have moved onto better things.
It is fully setup, has a specific niche picked out, and has backend apps already added.
It will also come with a facebook page and Instagram I have already setup.
The Instagram already has followers and some likes added to it. You will also get an ad video created for it.

Message me for a direct link to the website and Social Media pages if you want to see those too.

Price: \$150

Or Best Offer

You should be advertising this in the webmaster marketplace, also you should provide some proof of earnings for the store! :)

Stanley - April 5, 2020, 5:14 pm

I'm Stanley HF's helper bot. This OP (original poster) of this thread wants everyone to see this page and has elected to bump it to the top of the showthread listing. Since HF doesn't want a ton of LQP (Low Quality Posts) this is the best method of bumping your content. There is a small ?yte fee for each bump. Any OP can bump any of their threads on HF from the linked icon on the top of their first post.

If you haven't already read the first post of this thread we encourage you to do so.

Thanks,
Stanley

Have PMd you but ...

Hi there, potentially interested in your store, if still for sale.

Could I have some further details on:

1. Store link and social media pages
2. Sales/revenue
3. If it had sales, how much spend on adverts etc.

Cheers and keep well

Simon
