Thread: [\(Cheap followers\) 10k Instagram followers for 6\\$](#)

carelessvdk - April 3, 2020, 5:18 pm

The followers seem real and have a profile photo, after the purchase it takes 0 to 1 hour before the followers appear on your account. I accept the payment method bitcoin. if you are interested to buy send me message or add me on discord.

10k Instagram = 6\$
25k Instagram = 12\$

For larger numbers of followers send me a dm or comment in the thread.
