Thread: [Anime like tokyo ghoul and akame ga kill](#)

duke007 - April 4, 2020, 5:44 pm

I am looking for an anime with dope characters,

like levi, killua, akame, kaneki + all the other dope characters (white haired guy, super strong ghouls).

I just want to see something with some strong people.

Beherit - April 5, 2020, 4:41 pm

Here's a few:

Black Lagoon
Berserk (1997),
Yu Yu Hakusho,
Samurai Champloo,
Durarara,
Dororo,
Mob Psycho 100,
Trigun,
Gungrave,
Hellsing Ultimate,
Darker than Black

You could give "The Irregular at Magic High School" a try. The MC is way too OP.

Guess anime with OP main characters might suit you. Heres a few off the top of my head that might be worth checking out.

Hagure Yuusha no Aesthetica

Kaze no Stigma

Plunderer

Gakusen Toshi Asterisk

Rakudai Kishi no Cavalry

Busou Shoujo Machiavellianism

That Time I Got Reincarnated as a Slime

There are soooo many other anime, best bet is to find one you like, go over to MAL and see what others recommend watching after said titles.

Gantz is good if you don't mind the absolutely soul destroying depression that follows after you finish the series.

Yep.

Everybody was a little touchy watching the "walking" scene at the end.

Some of these, if not most of these are honestly some of the worst anime I have ever seen. Plunderer and The Asterisk War being among some of the series in which I actually wish I could get my time back. That Time I got Reincarnated as a Slime has some redeeming qualities and can be kinda nice to watch at times and yes, the main character is extremely OP - but none of these are anything like Tokyo Ghoul, Akame Ga Kill or even AoT or HxH which I kind of assume the OP has interest in considering their characters are listed in the description.

Great list, I agree with Darker than black and also recommend Berserk for the OP too ;) Amazing anime!

I would also take a look at kabaneri of the iron fortress.

it's a pretty good one and has similarities to both the anime you listed.
