About:

If you're someone who's a regular spotify user and looking to save bucks on the price you pay, look no further. OP, [mention=most3rs] is running a spotify service upgrade that instantly upgrades your account to a premium one. So far he's providing a 6 month guarantee and takes steps to get you back on premium, should it expire before hand. Currently he's offering to do it for people residing in Argentina, US and UK. One could use a VPN to select the following as their country but it's much easier for you if you were to be a customer in the former three.

P.S: \$3.99 per account is the cost and it's cheaper than what I have to pay for in Euros.

How it works?

It's relatively easy. You have to start a contract, head to OP's upgrader service website and buy a key or from the OP himself. Once you do, you just have to enter it and you'll be sent an invite. Once you accept the invite, you're upgraded. Each key is personal and not shared. What you need:

1. Key (purchased from Monst3rs)
2. Account
3. Address Verification
4. Residence in country (US, UK or AG; can use a VPN)

Spoiler [\(Click to View\)](#)

Ease of usage:

As best as I can describe. As long as you follow all the instructions, it's just easy. Overall, a great VFM service and quick support from the seller.

He helped me out with any question I had and the instructions on the website are easy to follow. I will definitely be referring my friends and family to him.

SaintJimmy - April 7, 2020, 9:59 pm

I would like to take a vouch copy if there's one available. Could you tell about the account upgrade?
Is it valid for a year?

I would love to give you a vouch copy, I'll send you a pm and get a contract going. Its hosting on my
website, It's fully automated, just enter the key that you can buy from there, or in your case, I will pm
you, and select your country and you will get everything you need to instantly upgrade your account,
for now I provide 6-month guarantee.

I'm Stanley HF's helper bot. This OP (original poster) of this thread wants everyone to see this page and has elected to bump it to the top of the showthread listing. Since HF doesn't want a ton of LQP (Low Quality Posts) this is the best method of bumping your content. There is a small ?yte fee for each bump. Any OP can bump any of their threads on HF from the linked icon on the top of their first post.

If you haven't already read the first post of this thread we encourage you to do so.

Thanks,
Stanley
