Psilocybe - April 8, 2020, 8:35 pm

Thanks for hosting this generous contest, much love for the generous members of HF such as yourself :))

I gave you +3 popularity & if I were to win this contest, I'd want the Coronavirus award because my Brother, who's in the Air Force, recently just recovered from a scary case of covid-19 and I couldn't be more thankful for him still being alive. He was denied treatment in Alabama when his symptoms began appearing - he was "too young". 1 day later, my Brother was in the hospital with a 103.7 fever - and when his covid-19 test came up as positive about a week later, I felt the most lost I've ever been in my life.

All is well, and I'd love to wear that award with pride knowing that it wasn't enough to take a loved one away from my family :)
