<https://github.com/g91/XBLS>

<https://github.com/g91/100F0>

<https://github.com/g91/more-Xbox-fun>

for help join us on EvilSource

<http://evilsource.net/>

FUN:

<https://pastebin.com/u/G91>

<http://xbls.us/> if you don't want to set up your own API you can use one for free. everything is open source do not pay for a service. this is 2020 it's time to let Xbox free

you can also join us on our new project the alternative Xbox Live project <http://noblelive.net/>. this is not a stealth server this is a full Xbox Live replacement.

Klonopin - April 8, 2020, 2:02 pm

I havent touched my rgh since 2016 i think. This really brings me back.

thanks for this post OP.

duke007 - April 9, 2020, 3:23 pm

Good fucking looking OP. Thank you my man.

awhittlex2 - June 21, 2020, 1:08 am

Hi. Hate to be annoying and post on here but can you PM me when you get the chance. I have a question about a user with an Alias of "BoxHead" Thank you.

Lightz_ - September 25, 2020, 1:34 pm

Great share. Thanks for sharing. Just sent to one of my friends that has an xbox he was impressed.

Harper-Lea - October 23, 2020, 1:00 am

Sorry to bump this up but what does this actually do sorry I need xbox Live

spiral - October 23, 2020, 3:37 am

Damn I remember you Domo from AIM back in the day. Good times man.
