Good luck with sales!

No, sorry. I had a message stating I don't give any for that reason. Must've forgotten to add it when I edited it. Sorry!

It's too valuable to throw vouch copies out for. I might change my mind though. If anything, I'll contact you. ?

So you want to tell me a chargeback wont affect your site balance?

Do you understand that you can easily earn 5-6 digits with this if its working like advertised?

I mean, all types of fraud exist. But I really don't know how to pull this off properly.

If you want to work with me on the site then let me know man, I'm up for it.

Regardless of that happening, it won't affect on-site balance.

Did a test. Says it takes 30 days to be able to withdraw money to prevent chargebacks... so we will wait and see what happens
