Astonished - April 10, 2020, 4:53 am

Would love the password nyan, not exactly knowledgeable in what this is useful for but I'd still love to try it out :) Good stuff yet again

SIM-4581439 - April 10, 2020, 5:07 am

This looks like a very nice release. I love the idea. I wouldn't mind giving it a shot.

Mercury - April 10, 2020, 3:34 pm

This is a really cool idea. I'd love to get the password for this if you wouldn't mind.

Thank you.

monacof1 - April 11, 2020, 4:24 am

Great concept of program, would really enjoy to try this out mate!

ajkhdsfldjskhf - April 11, 2020, 10:28 am

Thanks,
Stanley

`the password plzzzzzzzzzzzzzzzzzzzzzzzzzzzzzzzzzzzzzzzzzzzzzzzzzz`

I would love this! Password please

Looks like a good thing, hope it can be used

password please, i need this tool.

Please bro send ne password i m using port scan but its amazing software you made thank you in advance

I would like to test it , also looks nice

Can i have the password? Thanks in advance!

```
Code import threading, time, random, sys, socket
from copy import copy
```

```
if len(sys.argv) != 3:  
    print "Usage: ./dnsbrute.py <server> <wordlist>"  
    sys.exit(1)
```

```
try:
    words = open(sys.argv[2], "r").readlines()
except(IOError):
    print "Error: Check your wordlist path\n"
    sys.exit(1)
```

```
print "[+] Server:",sys.argv[1]
print "[+] Words Loaded:",len(words),"\n"
```

```
wordlist = copy(words)
```

```
def reloader():
    for word in wordlist:
        words.append(word)
```

```
def getword():
    lock = threading.Lock()
    lock.acquire()
    if len(words) != 0:
        value = random.sample(words, 1)
        words.remove(value[0])
```

else:

```

print "Reloading Wordlist\n"
reloader()
value = random.sample(words, 1)

lock.release()
return value[0]

class Worker(threading.Thread):

def run(self):
value = getword()
try:
print "-"*12
digger = value[:-1]+"."+sys.argv[1]
print "Trying:", digger
result = socket.getaddrinfo(digger, None, 0, socket.SOCK_STREAM)
print "\n\t\tWorked:",[x[4][0] for x in result][0]," Hostname:",digger
except(socket.gaierror), msg:
pass

for i in range(len(words)):
work = Worker()
work.start()
time.sleep(1)

```

PunkyBrewster - May 8, 2020, 12:37 pm

can i please have a test of this ? is there a password or something?

infomationss1 - May 9, 2020, 7:34 am

Look nice.

I have been following your post, you are such an amazing Member.

Keep up the good work.

1337GAMER - May 9, 2020, 7:44 am

Thanks for this, I'll check it out. :)

?Døpe - May 9, 2020, 10:55 am

Would love to get the password bro, thanks for the release

hackermafia - May 10, 2020, 4:03 pm

thank you very much

SIMONCAPUT - June 3, 2020, 9:26 pm

Downloaded I can has passwerd pl0x?

markt12014 - June 5, 2020, 4:28 am

the password for the angry scanner pls!

Backdoor.111 - July 27, 2020, 2:05 am

CryptoWare - July 30, 2020, 8:53 pm

Would love to have the password nice work btw

Django98 - July 31, 2020, 5:59 pm

Id love to try this please kindly sir provide the password

Lock - August 1, 2020, 6:00 am

Would love a password, hoping you can get back to me any time soon.

Cynaide - August 2, 2020, 5:36 am

Would love to try it out..can i get the password

fxweezy - August 30, 2020, 1:32 pm

password pleaseeeeeeeeeeeeeeeee ?

viralPro - September 12, 2020, 5:02 pm

I have downloaded the file.

What's the password ?

SIM-4536028 - September 13, 2020, 10:27 am

Great coder. Can i please get the password?

Porroo - September 15, 2020, 2:30 am

Can i try this :) andd here is more words so i can post this

DI?E - September 15, 2020, 4:17 pm

This as fast as masscan??

keemodas - September 17, 2020, 5:09 am

Great coder. Can i please get the password?

hitachi25 - September 17, 2020, 5:35 am

the password Please

Thanks

MacTruck - September 17, 2020, 1:09 pm

It is possible to have the password?

Anti2x - September 19, 2020, 6:02 pm

thank you kind sir finally someone with good whi

pickle rick c130 - September 20, 2020, 4:09 pm

iv seen NYANxCAT put some good stuff out on here thanks again and may i please have the pass!?

Cy99 - September 22, 2020, 9:10 pm

Hi please send me password, thanks!

8C?TMHjEM29J52g6W7\$E - September 23, 2020, 2:41 pm

Hey there. Is this still working? can you pm me.

mhamd55 - September 23, 2020, 7:30 pm

Great tool

This is a really cool idea. I'd like to have the password for this if you don't mind.

Thank you.

Imhere - September 25, 2020, 10:21 am

Can you send me the password? :D

Thanks

Monero-chan - September 25, 2020, 10:25 am

mind if you send me the password? thanks.

yassberry - September 27, 2020, 3:58 am

thank for sharing.

But if you say is free why put a password...?

Uncle Drew - September 27, 2020, 1:41 pm

Can you please PM me the password? Thanks in advance.

Hi Nyan,

May I ask for the password?

GamersGodlyReturns - November 10, 2020, 7:38 pm

May I get the password to this? I been needing a scanner to grab a few personal RDP's. Thanks bruhh!

Bihel29 - November 11, 2020, 6:29 am

Nice share man can you send me the password ? thanks

SIMONCAPUT - November 11, 2020, 7:18 am

Please send me the password :)

Harley Quinn - November 11, 2020, 8:55 am

Nice share man! Good contribution!

GamersGodlyReturns - November 20, 2020, 12:51 am

May I get the password please? Thank you!

hackermafia - November 20, 2020, 2:31 am

password please thnx.....

DI?E - November 21, 2020, 4:49 pm

Defender is showing it as ransomware lol. Obviously it is not but I found it comical.

mr-V - November 22, 2020, 8:37 am

Does this generate good quality ips?

BrokenGuy2020 - November 22, 2020, 8:43 am

password? I love your work :)

bigdog - November 22, 2020, 1:59 pm

Hey, would be great if i could get the link. Own a lot of your other software :) love masslogger

M100 - November 22, 2020, 7:30 pm

This is a really cool idea. I'd love to get the password for this.

Pamenarti - November 23, 2020, 4:01 am

Please send me the password

TheBigEsc0 - November 29, 2020, 3:36 pm

can i get the psswd plssssss

fukudametro - November 29, 2020, 7:07 pm
