Thread: [Sign Up for an app using my referral and get up to \\$4BTC INSTANT! \(Must be in the US\)](#)

Yes as my thread title says, sign up using my referral link (PM or IM me on here) and I will give you \$2 BTC. MUST LIVE IN THE US! AND BE 18 YEARS OR OLDER!

My rate is:

1 ref sign up=\$2 BTC

2 ref sign up=\$3 BTC

3 ref sign up=\$4 BTC

(3 is the max amount per person)

These referrals involve you downloading and app and signing up (takes legit like 3 min. each) . Upon verifying sign up I will pay. Since I have basically no rep, I will pay first to the first high rep person that agrees to do it.

If I'm not here message me on discord HeavensAce#4407 (if this link is not allowed please delete the reference but keep my thread in tact thanks mods)
