I don't think this would be of any use to me!
I am addicted to gaming not to browsing the internet, I open my browser only for HF xD!
And I do not earn money online!
Once this pandemic ends it's just back to routine!

I already work, a lot, but I do feel lazy sometimes. What website do you got for that my man?

Simplex - April 13, 2020, 12:10 pm

Yeah cool would love to except my job shut down.?

A + - April 13, 2020, 12:23 pm

Nicely done haha. Just lost a \$600+ investment for doodoo coins I can't sell. It's all good, I'll get back on my feet. :)

The-Fluffy-Kitty - April 13, 2020, 12:39 pm

I feel like I work okay, but there is always that part of me that wants to improve or try something else. I'm considering trying modafinil, although I rather not really try anything new during these times as I really would not want to go to a hospital.

Also, while humorous, I don't find the words used on that site do much to really motivate me.

SIM-3257834 - April 13, 2020, 12:57 pm

Alright going to sell my ass outside of home depot now.

Sh4ggy - April 13, 2020, 12:59 pm

Zoomers - April 13, 2020, 1:00 pm
