This is definitely retarded bro. Vouch copies never cost anything and your only vouch is Uzir who happens to be a huge scammer (well not huge, he scams people for \$10)

I've seen other people give vouches for money it's just a discounted vouch tf you only say that cause i'm not upgraded or a big member then either you wouldn't have posted or you would've praised me. if you wanted a vouch you just could've asked i gave him a copy for free for saying the same thing he didn't come like that just cause you don't like it doesn't make it retarded now if you wanted a vouch copy cause obv that's why you even said anything just pm me.

I can take that vouch copy :) I'll write a great review for it and show pics of proof of me doing it. I'll also CashApp you \$10 if this works :) Pm me it.

If you deem me as a reputable member, I could give a pretty detailed review for that vouch copy. Let me know OP.

Instagram - April 13, 2020, 5:24 pm

I would like to take one of the vouch copies if they are available still!

Jay - April 15, 2020, 2:37 pm

Just received a vouch copy from OP.

This method is very simple and straight forward, and I have not seen anything like this public or anywhere else.

The method is greyhat but I don't think you'll get in any trouble, I'll personally be using this method from now on.

If you want a method that is super easy and very straight forward with little work, it's very much worth it to get gas for \$1.

I'll be testing this method out soon the next time I go get gas and will update it in the thread to see if it works.

For the low price of the method I simply don't see why you wouldn't buy it.

Is there any way it could get patched if I buy this like the shell codes from awhile back?

Boomer - April 17, 2020, 2:07 pm

Shit gas is so cheap right now you might wanna save this method for when this oil war is over lol. Good luck with sales though!

Silvio Berlusconi - April 21, 2020, 6:20 am

vouch copy sir, I'm going to do a review of your method

Hero - April 21, 2020, 6:58 am

Invest in OIL shares, forget to set it to june-futures and then have to pick it up in oklahoma or wherever. Why would you sell such crap? This is more than public knowledge. (sorry for my bad english)

?-Elision- - May 6, 2020, 6:52 pm

Does this involve illegal activity by any means?

NewRulez - May 7, 2020, 11:34 pm

I know this method, don't purchase. you can get locked up for fraud charges, and also they have cameras so you will be exposed to the news.

Interested, are you still offering vouch copies? Is this all gas stations or certain ones? Also how long would it take to implement enough for each time use?

SIM-587985 - May 30, 2020, 1:47 am

Yo I'll buy that discounted vouch copy if you are still selling. Shoot me a PM either way big guy.

I'm Stanley HF's helper bot. This OP (original poster) of this thread wants everyone to see this page and has elected to bump it to the top of the showthread listing. Since HF doesn't want a ton of LQP (Low Quality Posts) this is the best method of bumping your content. There is a small ?yte fee for each bump. Any OP can bump any of their threads on HF from the linked icon on the top of their first post.

If you haven't already read the first post of this thread we encourage you to do so.

Thanks,
Stanley
