Looking for anything habbo related, only from NL.

Let me know what you got!

Didn't knew this game still existed. Great to know it does.

Any kind of way to contact you or see some proof?

I prefer not to buy accounts. Bought 4 account databases in the past year and all of the accounts were empty, so habbo databases are a red flag for me.

I would be willing to buy any furniture, credits or gold bars that you yourself find in the accounts though.

Let me know!
