Thread: [Question For Gamers and Non Gamers](#)

peter-anime - April 15, 2020, 1:21 am

Hello Guys my question is can i post my video link for youtube here

i'm making GMV (Gaming music video) where we combine many amazing scenes in one song.

what i want is you guys to rate my video and tell me what do you feel about it

Second i make edit rage moments in video games. Thanks for reading let me know if its allowed to post

link video here?
