Thread: [\[Giveaway\] WordPress Premium Themes & Plugins](#)

thetechiepanda - April 16, 2020, 10:05 pm

Hello HF Members,

The title says it all. Just comment the premium theme/plugin name & link that you are looking for and I will try to provide you the latest version.

I look forward to serve the community and give something back and help the community members. Please be patient and wait for my response I will try to revert as soon as possible.

All plugins/themes I provide will be untouched. (You can run through a virus scan if you want)

Thank you everyone.
Take care & Stay Safe!

Admin/MODS if there is something wrong in this giveaway please help me rectify or close the thread.
