Thanks for your offer! please send me a copy

Wo0tman - May 1, 2020, 7:14 am
This doesn't work. That version of Jarvee is massively outdated. Somethings may still work but connecting things like youtube accounts do not because the browser is not updated.

Yeah wrong information alright... Using an old Jarvee is going to do nothing but lead to every account you connect to it being banned. If you are even lucky to get that far. Completely useless. Post a new version or don't even bother.

vasku - May 3, 2020, 1:07 pm
