Thread: [where are the forum rules?](#)

theghost20 - April 18, 2020, 9:43 am

Should they not be stickies or a link at the top somewhere? I am in the actual sub forum titles "Rules, Announcements, News, and Feedback" yet didn't notice these rules or help documents here.

Someone just gave me negative popularity asking me to read some forum rules. Where are they??

Why would you read that PM when you can just get straight to posting on YouTube bot threads from 2011? Lol
