Would you like me to send you a contract to start it?

Transxhunt - April 23, 2020, 7:25 am

Can a newbie sign up for this, do i also get that blinking logo under your name lol

Scooby - April 23, 2020, 7:30 am

I am very interested in this. I actually looked up a recruitment thread on the groups forum but it was way old. I was apparently looking in the wrong place lol. I have never done a contract on here before, though. Could you start one with me? I'm afraid of messing it up somehow.

Edit: I think I figured it out. I started the contract.

Well, I'm a fan of this idea! I don't know about the other members, but I could use a new one. We've had the Lorax now for about 10 years.

I just answered all questions and PM's. Don't miss out on this group guys! Amazing people and great convos we constantly all have.

Scooby - May 2, 2020, 2:54 pm

I mean, it's kind of dead in the subforum but it's still worth it just for the awesome userbar. And perhaps more members will join the group and make for an active community! That's what I'm hoping for.

JaigoX - May 3, 2020, 1:59 am

looking forward to this! Going to save up for it!

Nas - June 4, 2020, 7:32 am

Lowered the price temporarily to \$45 for a limited time! Don't miss out on your chance on getting one of the most chill groups on HF.

Nas - June 6, 2020, 7:55 am

Just answered all questions I received about this, the promotion for \$45 is going to be ending soon.

Stanley - June 10, 2020, 10:02 am

I'm Stanley HF's helper bot. This OP (original poster) of this thread wants everyone to see this page and has elected to bump it to the top of the showthread listing. Since HF doesn't want a ton of LQP (Low Quality Posts) this is the best method of bumping your content. There is a small ?yte fee for each bump. Any OP can bump any of their threads on HF from the linked icon on the top of their first post.

If you haven't already read the first post of this thread we encourage you to do so.

Thanks,
Stanley

Nas - June 15, 2020, 8:35 am

This is going to be the last week where the price will be \$45. It's going to go back to \$55

Nas - July 29, 2020, 9:50 am

This is still for 45\$, don't sleep on this! Get yourself customizations for your HF profile now!
