Thread: [Awards Bug](#)

123 - April 18, 2020, 3:40 pm

All the awards went Berserk and stepped down a little which means the name indicated and Award displayed aren't matching each other.

For some reason I have Gamblers Award which I don't want. Please take it away from my profile !!

@Xerotic@ We love you, thanks for always working and making HF the best Forum.
