Hi there, i am here today to give you some of the best deals on leads.. all these are private and have never been re-sold or anything.. i use a private scraping method to get these and also get them from dumps of websites i have hacked..

inbox me or reply and let me know what country and what provider + how many you want and we can go from there

List of example domains specific lists:

gmail.com - 77.0K
live.it - 7.3K
hotmail.dk - 1.0K
bigpond.com - 34.8K
hotmail.gr - 3.7K
hotmail.com - 2.3K
