No problems, open a contract and specify which server you're after and I'll provide you with the details

I can't open, you need to open for vouch copies as a seller, i think.

Juch pick for both "Vouch copy" for the contract.

I received a vouch copy from OP and writing my review.

Account works perfect and it is unverified as OP said, last game was played April 8 2020 and has 50k blue essence with 1 champion so you can get whatever you like with all this essence without issues, Level is 30 for you to start directly playing ranked games

Thanks OP

Good luck with sales

I'll take a vouch account on NA. I'll write in in depth review as well. Please let me know, pm me!

VulnTutorials - April 25, 2020, 3:05 am

Hey If I am trusted enough for you I would like to receive a Vouch Copy too ^^

Lakai - April 25, 2020, 3:42 pm

I have received a NA Vouch Copy and could not be more happy with the result.

The account had 50,000 blue essence, and was a fresh unranked account. The account does not appear to be at risk of getting banned. If you are looking for an account, at a price that I personally have never been (so cheap for such a high quality product), then this is the shop you want to buy from.

Huge vouch from me. Good luck with sales.

I'm Stanley HF's helper bot. This OP (original poster) of this thread wants everyone to see this page and has elected to bump it to the top of the showthread listing. Since HF doesn't want a ton of LQP (Low Quality Posts) this is the best method of bumping your content. There is a small ?yte fee for each bump. Any OP can bump any of their threads on HF from the linked icon on the top of their first post.

If you haven't already read the first post of this thread we encourage you to do so.

Thanks,
Stanley
