Thread: [\[Free\] Visual Assembly Cloner | Clone Any File | Open Source | Direct Download](#)

VisualSoft - April 20, 2020, 10:23 am

I have seen many users having hard time to clone Assembly, so I am releasing Assembly Cloner here and the good thing is, Its Open source.

Current Features:Coded in VB.Net

Open Source

Sleek Design

Easy to use

User friendly

Direct Download

Download Files:

Link Fixed.

Have removed all survey links from my all threads.

Good job, thanks, its very useful in reverse engineering i think.

VisualSoft - April 22, 2020, 2:29 am

@SIM-4684542 Thanks Man,

Its has multi Use and its most commonly used to clone other Application Assembly info.

itzmemario - May 2, 2020, 9:32 am

Great tool! 10/10 reccomend

VisualSoft - May 9, 2020, 12:37 pm

@itzmemario Thanks man.

I suggest its the best tool to Remove berry detections.

kekko00 - May 12, 2020, 12:24 pm

great very nice job visual

VisualSoft - May 16, 2020, 3:42 pm

@kekko00 thanks man, really appreciate you feedback.

Official_bruhmoment - August 22, 2020, 11:26 pm

what's the pw for archive?

Geofry Handsome - August 23, 2020, 12:05 am

password protected, no chance to check it out

Inosuke - September 1, 2020, 7:47 am

Would attempt to download but the upload service you used is cancer

Alieno539 - November 19, 2020, 2:50 pm

Good job, thanks, its very useful in reverse engineering i think.

SIM-4641956 - November 19, 2020, 3:13 pm

Does the icon change too? very useful, good
