Thread: [Visual Assembly Cloner | Clone Any File | Direct Download](#)

VisualSoft - April 20, 2020, 10:45 am

I have seen many users having hard time to clone Assembly, so I am releasing Assembly Cloner here and the good thing is, Its Open source.

Current Features:Coded in VB.Net

Open Source

Sleek Design

Easy to use

User friendly

Direct Download

Download Files:

Hey bro do you have the source code for this, i just want to take a quick look. not going to release anything just think it would be good to tinker with the code

Green - May 23, 2020, 12:02 pm

this is cool ty very muchly ?

Litecoin - May 23, 2020, 6:48 pm

thank you for the effort you put into this

kakaroto33 - June 4, 2020, 7:44 am

i had to recommend all tools from VS, high quality coded, high quality support, even i was on free tools

DI?E - September 17, 2020, 1:33 pm

Links are dead. Could you re-upload them?

Yes please, reupload it again. Thans

D3n1s90 - November 2, 2020, 2:36 pm

Thank for this Code +++ nice work

siemaziuta - December 26, 2020, 5:32 pm

Can you reuplod it? Links are dead :/

riddickval - December 7, 2023, 1:43 am

hi Rep... can you reupload assembly cloner and icon changer.. links are dead bro.. thx

mukpikd - December 17, 2024, 8:00 am

link not working can you upload again please?
