Thread: [FREE! | \\$80/HR BTC | AUTOPILOT | 5 Minute Setup | No Investment Required](#)

fyded - April 20, 2020, 1:52 pm

No investment required! Earn around \$80 btc per hour, any hour! Took me 5 minutes to setup and no work afterwards!

I was always searching for methods but I finally found one that works so I am gonna share with you guys.

This method takes little to no effort (& is whitehat) so why not try it, I guarantee you will be satisfied with the results.

PM Me for the method, and please leave a vouch in the comments afterwards!

I just realized there was a freebie section, so if this isn't allowed here feel free to remove it
