Thread: [EXCLUSIVE PRIVATE METHOD \\$3000 THIS WEEK|WHITEHAT|LIMITED COPIES](#)

usd - April 22, 2020, 1:29 am

The reason I'm licensing:

I've been employing this method for the past week or so and had really high success with it. I'm not simply just selling it openly, rather I'll be licensing 4 copies to whomever decides to buy them. First reason being that I could use some like-minded hard workers to create fresh ideas and improvements to the method. Second reason being that for years I tried countless different methods, and none of them have had this much success. I'm stoked on how well its done and I'm looking to offer something back to the HF community after years of keeping me company.

Summary/FAQ:

Does this involve E-Whoring?

No this method doesn't involve any ewhoring or any selling nude content.

Is this method saturated?

No this method isn't going to be saturated, but I would like to keep the exclusivity to a like minded group of individuals hence the higher price point.

Why are you selling it if you're making all this money?

Right now I have a LOT of business ventures, I think that I can give back to the community in a way with this method to make people rich in my community and help improve it as well.

Any other questions or concerns you can send me PM regarding that

implement this myself, it is definitely something I would recommend that someone pick up while they can. Overall, I would consider the method easy to execute, easy to understand, awfully unique, and highly profitable with the right implementation.

I would ask for a vouch copy but probably don't meet requirements.

None the less seems like a good method judging from the thread

SIM-3092442 - April 22, 2020, 1:33 am

Winds - April 22, 2020, 1:36 am

Where is your actual proof of earnings for last week? I don't see how a Macbook, an iPhone box and \$220? is any proof of LAST WEEKS earnings??

Gucciii - April 22, 2020, 4:11 pm

Looks fishy... "someone" PM'd him, didn't give a name for who will vouch.

The proof is a random MacBook,iPhone, and only \$220 cash

anyways, good luck to whoever buys

Method is digital. Got the cash out my bank atm.

How long does this method take to do ?

Is it guaranteed to work?

Also does it work for outside the US?

You should see profit within one week at the most, if not sooner.

If you put in the effort, the method will work. I'd recommend at least 1-3 hrs per day, but I was putting in about 4.5 hrs a day last week.

Will work outside the US.

Buk Lau - April 23, 2020, 6:54 pm

Highly interested, but like one of the other users said, posting money and a macbook / iphone isn't proof of earnings. I'd like to see some payment cashouts, thanks.

They currently have a contract open for it, so I'm sure hoping so! Assuming they have been busy or away.

Currently Winds is the one who's getting the vouch copy yes, and I have a user who purchased who is supposed to be writing a review sometime later.

was coming back to see if you ever added that proof of payments other than some cash and macbook etc.. would like to see the digital payments since this is a digital method. Also I was wanting to know what does this involve? i see a lot of what it doesnt involve but to pay what you're asking I think we should know what is required and needed other than saying "put in effort" I hate when ppl sell things saying that. I do not mind putting in effort but what kind of effort am I expected to do. sit and send messages to ppl trying to get advertisement or sales or contacts etc..? what on earth will I be doing for 3+ hours a day in order to make money? I cant say its worth it same as the one you gave a vouch copy to. This is obviously not for everyone according to that vouch you got which is why I am asking this. You can PM me this if you want. I am interested in knowing more but for me to pay anything over \$20 I will need to know a bit about what I would be doing to even know if its worth it for me personally.

donflex1337 - April 30, 2020, 7:39 pm

is the price negotiable in any way?

CuCumba - May 3, 2020, 4:05 pm

TL;DR of all vouch copies.

"I won't do this myself but you will make money if you do"

oi fuck off mate, waste of a vouch copy. lol

If you already had a large amount of stable income, would you be looking to do more work than you do already to make a slightly larger amount per week/month? Vouch copies are given for a review in return, and I thought the review was descriptive and useful info for possible buyers.

? It would be better if they tried to do the method, instead of saying "iT WoRkS". Imao. I was tempted to buy, but I just see the vouch copies being wasted to members who just want a free method, without actually trying it.

agree with this, was a fancy way of writing it works i cbf trying but you can try it.

if someone can provide proof this works and give a detailed explanation of their experience, I'd be interested.

Yep. Also, his proof is physical money. No actual transactions are shown.
