Thread: purple clover significance?

Present - *April 23, 2020, 2:15 am*

How much do people here value the purple clover? Hell, even the green one. I've had this for years but never thought much about it lol

BiggL - *April 23, 2020, 2:17 am*

It looks pretty cool, no clue how much its worth or what its value is at as the award market is closed atm.. which sucks..

Deany - *April 23, 2020, 2:17 am*

$0 atm since can't sell awards

I had no idea clovers were still given out randomly, I thought that ended some time ago.
I'd like it just to have it cuz why not

I'm pretty sure you can't get it anymore so it's pretty cool. I personally just think "whoa, cool" to myself when I see someone with the purple clover, I don't exactly fill my pants and have a wet dream about it that night.

Astrogen - *April 23, 2020, 2:22 am*

That's really cool, I think people can't get clovers anymore, not 100% sure though.

IPIKIN - *April 23, 2020, 2:24 am*

I reckon the purple one looks the best out of the 3. Unfortunately I never won one. Pretty sure they stopped giving them out years ago.

ahhahaha well I do.. even a green one makes me a lil moist.

Damn, years ago? Probably got it from one of my LQ posts back in the days. I cringe when I look

back haha

I'm pretty sure it stopped when I was still coming here daily last. I think end of 17 start of 18 it stopped. I'd gladly take it off your hands if I could

Simplex - *April 23, 2020, 2:37 am*

Looks pretty cool, enjoy that award!

shitmaster - *April 23, 2020, 4:04 am*

I really hope similar awards will come in the future. It's not so easy to get these rare awards. Even the normal ones are super hard to get.

It looks pretty cool and neat...how did you managed to get that award?

V?rt - *April 23, 2020, 4:16 am*

I think it’s a pretty cool award. They lasted a good while and not many people got them. I wish I would have been able to get the purple or the gold while it was still a thing. I wonder if they’re broken, or Omni took them out though. Because he never said they were discontinued, they just stopped happening in late 2018.

Demize - *April 23, 2020, 4:30 am*

It’s an alright award, I never really cared for them but it is rare too see someone with it

Moon - *April 23, 2020, 4:45 am*

I like them, that's why I bought the three of them when award exchanges were possible.

Ombra - *April 23, 2020, 4:50 am*

It's just a random award, doesn't mean much tbh.

wow, first user I've seen with all three gems!

I'm sure these awards were pretty cheap, back when award exchanges were up people were selling purple clovers for $25.

That was probably the reason why it was removed. I just regret not having bought the Eclipse award I was planning to buy at that time x).

Theocritus - *April 23, 2020, 6:25 am*

sigh ill never get a clover, feelsbadman

It means how Lady Luck is shining on a particular user. ?

Pow3r - *April 23, 2020, 6:51 am*

I personally like mine and was very happy when I randomly dropped on one. The gold one looks good also but the purple just stands out a lot more for me.

Indeed. Luck, there's no merit behind it

Would fit well with my music award for sure, so I wouldn’t say no to it.

You can't get clovers anymore so pretty rare :)

cig - *April 23, 2020, 11:17 am*

If it's anything like a green four leaf clover I'd assume its for doing something lucky.

ven0m - *April 23, 2020, 11:19 am*

That depends on how much you value some pixels. For an ecosystem like ours, a trust in symbol that exerts influence is important.

Yin Yang - *April 23, 2020, 11:52 am*

The purple one looks pretty dank.

I had the green clover, but sold mine.

Toosii - *April 23, 2020, 12:16 pm*

I think it’s very cool, I wish they would sell let people sell there awards.

luke - *April 23, 2020, 12:17 pm*

Discontinued award, pretty uncommon, not the most wanted award but not a bad one to have.

MrJamesDean - *April 23, 2020, 12:18 pm*

The purple one does look nice, it's a pleasing shade of purple haha
