It won't because OP is an idiot and will likely be closed for being so.

Sounds interesting mate ?Well mate, it's not the same if i'm dealing with a new user who made his account 2 days ago, than dealing with a 4 years old user with no negative feedback.
It honestly does, at least for me.

Post screenshots of the chat at least, but it doesn't matter anyways because all offsite deals are not HF's responsibility. You went first for \$200 with a nonupgraded member, didn't use contracts, didn't use HF convo or PM, this is your fault lol
