I bought this and I must say I am very disappointed. I didn't receive any kind of interaction on my tik tok account, about 6 spotify plays. Definitely not worth \$200

VisualSoft - May 7, 2020, 4:01 pm

why you posted in secondary sales market, you can get more exposure in the premium sellers market

we promote your song on our tiktok posts. full analytics have not loaded yet but the video got 184.9k views so thats 184.9k people who saw your song. in our ad we only promise 100k so it did really well so far. tiktok will continue to push our videos for well over a month so it will just keep getting views!
