Thread: [\[YELP\] SERVICES FOR BUSINESSES \(HIGH QUALITY YELP REVIEWS\)](#)

Redwall - April 24, 2020, 7:13 pm

Hello I'm Re-Opening this service during these times, I have plenty of vouches on my Yelp services if you look back on my threads. I have a lot of free time now.

I'm offering extremely high quality Yelp reviews, these business yelps will receive more value from quality account reviews, new accounts typically get closed. Everyone uses yelp and many businesses are ruined because of negative reviews, I offer positive reviews that stick into the business and will show at the top, I also offer negative reviews for those trying to hurt an establishment.

Countless months is invested into my personal accounts, from checking to establishments daily, writing reviews, photo's etc. I used to be able to offer Elite Yelp reviews but those prices are higher and gaining elite status can take years.

These high quality yelp accounts is tedious and can take years, my review will hold value to your business and shine light upon any negative reviews in the past, by bumping my review to the top.

Price per 1 review is \$25 that's a cheap price, I can do Positive or Negative review, these reviews tend to sell for more to legitimate businesses. Only 1 review per business to keep it safe, but I'm able to do multiple businesses. Country and area doesn't matter.

\$25 BTC, Cash app or Zelle,

None of my reviews have ever been pulled, I take time writing my reviews and articulating it slowly into my style of past reviews.

If a review falls off, I'd be happy to replace it.

I'm Stanley HF's helper bot. This OP (original poster) of this thread wants everyone to see this page

and has elected to bump it to the top of the showthread listing. Since HF doesn't want a ton of LQP (Low Quality Posts) this is the best method of bumping your content. There is a small ?yte fee for each bump. Any OP can bump any of their threads on HF from the linked icon on the top of their first post.

If you haven't already read the first post of this thread we encourage you to do so.

Thanks,
Stanley

I'm interested only if reviews are replaced when they're flagged as not recommended!
