I'm Stanley HF's helper bot. This OP (original poster) of this thread wants everyone to see this page and has elected to bump it to the top of the showthread listing. Since HF doesn't want a ton of LQP (Low Quality Posts) this is the best method of bumping your content. There is a small ?yte fee for each bump. Any OP can bump any of their threads on HF from the linked icon on the top of their first post.

If you haven't already read the first post of this thread we encourage you to do so.

Thanks,

Stanley

Red Light - April 25, 2020, 10:53 pm

You are clearly a multi or friend of a scammer. You pretended to buy and vouched for a Twitter Oday that doesn't and never did exist and the user continued to scam multiple people. You are either him vouching on a second account or his friend.

Pathetic scammer

Definitely did not work as people bought at the exact same time as you and didn't get anything. Was a clear scam and the fact you fake vouched for it just shows you also were apart of the scam

Homie has "business is my real name" but sells \$8 Valorant accounts and helps his friends scam
