Just trying to understand better. Ahh you mean: "You will NOT be making the money from putting money on bets, actually, you'll be losing a little bit of your money before you start earning. ". It's kind of hard to explain without giving the method.

Would I be eligible for a VC? I had a lot of rep on the old HF rep system.

Happy to leave a thorough review.

Ahh damn.. Im very interested in stuff like this, but because of the deposit bonus thing im very limited because in my country you are restricted to 1 bonus only per casino so.

Other than that Best of luck with sales!

From the full thread after reading, I get the impression that this eBook is basically revolved around matched betting? Or simply betting on one site, and betting against yourself on another...? If that is

the method, that method has been sold 10 times over.

1- this isn't a eBook

2- this slightly involves matched betting. There's MUCH MUCH more too it.
