Thread: [-- Introducing : Freepik Bot! Premium Freepik Resources for free :<limited offer+invi](#)

johnahma - April 26, 2020, 4:02 am

First of everything im not selling items and never try suppose me or message me about selling :)

we have only 50 Places on server (prevention of bots) Link will be updated every single day

Second thing you must agree full Terms List to stay inside the channel ! ;)

1 - Your Discord account must be full Verified to join ! (raider bots prevention !)

2 - when you fully agree Terms ... you have only 3 Downloads per day !

3 - we dont sell anything at all Dont try suppose us any item to sell !

--our Goal project (MachineDynamics) is help poor designers for free !

Third : dont try complain about the Bot not delivering because you didnt follow terms or you didnt read full rules !

--Launch of Server is after 1 hour so its not forever offer its for several days only ;)

and never try message me for Buying offers because im not a seller :)

brought to you by MD (MachienDynamics) Team enjoy and have a nice day everyone !

Join Link : contact me

(i didnt break link rules simply because its not a damn selling post ;))

notice : any rules break = Full ban from server and thats all and thanks for the community
