flavoral - April 26, 2020, 12:17 pm

It's Quarantine, How many hours per day or per week you spend on HF?

Toosii - April 26, 2020, 12:19 pm

Spending far too much on here, but literally nothing else to do when I'm sat at home, only time I'm not active when I'm sleep or or out, but I'll still give it a refresh on my phone.

MrJamesDean - April 26, 2020, 12:22 pm

I'm new here but I think I am spending about an hour or two so far, because I'm trying to read up on all kinds of things to increase my knowledge.

Ombra - April 26, 2020, 12:25 pm

I'd say about 2 hours each day

Luca - April 26, 2020, 12:38 pm

I spend every second of my life on HF.

Maybe a couple of hrs a day.

hugh janus - April 26, 2020, 12:40 pm

Pretty sure I spend a couple hours actively on HF everyday, might leave the tab open for a while tho.

shitmaster - April 26, 2020, 12:55 pm

I have HF with me wherever I go. I have HF on mobile and desktop. So I am always on other than the time I sleep which should be soon. I hope.

Kant Atta - April 26, 2020, 12:57 pm

I don't really spend too much time here. I log in maybe once or twice a day at best, and only comment on a couple of threads. I spend most of my time on Reddit, or programming. Been working lately on a Portfolio with backend functionality, so that I can easily add projects to it.

humanbody - April 26, 2020, 1:11 pm

Not exactly sure as I check it from time to time. Since I do work from home, I do casually check HF.

Exposed74 - April 26, 2020, 1:15 pm

Probably too much, but not much else to do atm

Xen - April 26, 2020, 1:16 pm

Honestly not enough lol but I've been so busy lately.

Years ago I definitely spent way too much time lol

Scooby - April 26, 2020, 1:59 pm

Even not in quarantine, I'm spending at least a couple hours cumulative everyday on here killing HUM and going for Lounge Head.

Theocritus - April 26, 2020, 2:01 pm

Geralt - April 26, 2020, 2:05 pm

cig - April 26, 2020, 2:10 pm

Probably like up to an hour usually.

a11s - April 26, 2020, 2:13 pm

Maybe around 3-4 hours / day just browsing around.

Sick - April 26, 2020, 2:57 pm

1-2, just browsing things Hackuman and then talking to some members.

Now I've downloaded Valorent, might start playing with peeps.

hfrocket1713 - April 26, 2020, 3:41 pm

haven't been on this site in the last 5ish years. Honestly I was bored and now I have so much time to do stuff I thought ab stumbling on this forum. a lot has changed but the whole thing is just like

how it was in 2011. It's definitely not as active and seems to be slowly dying. prob cuz the xbox 360 era is now over :(

Plista - April 26, 2020, 3:42 pm

I am spending a lot right now because I've just got back into it. I'd say 3+ hrs right now.

Simplex - April 26, 2020, 5:02 pm

A couple hours a day :) was pretty bad when I was chasing the lounge head award.

Astrogen - April 26, 2020, 5:04 pm

I spend more time on hf now than before quarantine. Would be nice to have a little counter to have an official daily activity count.

Demize - April 26, 2020, 5:05 pm

I usually am browsing all day, checking in on my phone while I'm bored at work.

Boil - April 26, 2020, 7:20 pm

Around 8 or so lately. Quarantine is really helping this

SaintJimmy - April 26, 2020, 9:27 pm

I've been spending too much of time here when I'm not doing any other work. I'm usually on for like 4 or 5 hours besides being longer on Discord. Most likely my activity will see a substantial hit when the lockdown is over and I find another job.

Charger - April 26, 2020, 9:31 pm

When i was off work recovering I was on around 14 hours a day

4dik - April 26, 2020, 9:43 pm

LousyBob - April 26, 2020, 11:08 pm

ningjingdexiatian - April 27, 2020, 1:12 am

30 minutes to an hour - depending on what interesting topics there are! :D

PAXFun - April 27, 2020, 11:42 am

About 1-2 hours a day, that's enough i think

_Cryptomic - April 27, 2020, 12:10 pm

4-6 hrs ? Looking for something to make money.

Present - April 27, 2020, 12:14 pm

I'd have to say at least 2 or the most would be 2 and a half hours.
