chunkymilk - April 26, 2020, 7:52 pm

i'm generally here to banter, game, and chill in the lounge, that being said.. thank you for coming to my ted talk.

Ash Ketchum - April 26, 2020, 8:19 pm

your first post and you're already aware of what the lounge is?

smells like a multi to me

chunkymilk - April 27, 2020, 5:06 am

hey man, i do this to most forums that i sign up to, if they have a lounge section.

cool kirby avatar though

Highly doubt it's anything you would like.

but old school rock/psychedelic rock

probably not the dubstep answer u were looking for

Pink Floyd is the best reference and also my favorite band.

chunkymilk - April 27, 2020, 5:22 am

That band that Syd Barrett was/is in.

I listened and have 2 album vinyls from Pink Floyd.

The Dark Side of the Moon, and Rhapsody in Pink.
