One Punch Man started off weak but became strong within the first episode. I don't know if that counts.

Bleach is one of the most op anime's I've seen...

Character always has a hidden power when defeated

Yeah Naruto I guess. Can't think of anything else. One Piece and Bleach both start off with their respective protags being overpowered af lol

I think this one "That Time I Got Reincarnated as a Slime"

he's weak on start then boom become stronger than any chracter anime there is.
