Thread: [My Pizza Journey: A Diary](#)

Scooby - April 27, 2020, 2:00 pm

I eat a lot of pizza. My whole house does, as a matter of fact. And it turns out there's a pizza award. So I'm going to prove my devotion. I'm going to post pics in this thread everytime I eat pizza from here on out. And I'll also review it, for color commentary. Here's the first pic.

This was a medium Pizza Hut pizza that was half pepperoni and half cheese. After baking it a little once delivered to the house (due to the pandemic), it was delightfully well done. When it comes to Pizza Hut, the quality is damn consistent.

Since I'm starting this thread, I'll also ask; what are your guys' favorite pizzas or locations?

Edit: I realize that posting a thread asking for an award is a surefire way to not get it, and maybe I never will. The intention of this thread, however, is not to simply ask for the award, but to provide a place to show my love for pizza. If I get the award, great! If not, pizza is still delicious. I'll never stop loving you, pizza!

shitmaster - April 27, 2020, 2:08 pm

I'm from Singapore. And my family usually eat Domino's pizza due to the super cheap buy 1 free 1 member price for dine-in and takeaways. They taste fine too. I'd take it for what I pay.

humanbody - April 27, 2020, 2:09 pm

I barely eat pizza but when I eat I always make myself rather than ordering. Anyway good luck on chasing that delicious Pizza award!

We've got a dozen pizzas in the freezer right now. Some is Totinos. Some is Red Baron. A couple are Wal Mart brand which I'm not as much a fan of, but you make do. We go back and forth between baking and ordering. And we switch up where we order from often, as well. So this thread should have a little variety at least lol.

Man I want some takeaway pizza or I might even tackle making my own during Covid19 and buying a cheapo pizza oven.

Where I live in Wales, we have a few really nice local pizzerias but I usually go for Pizza Hut/Papa Johns.

College, junior year. Friday nights were "Bad Scary Movie Night" where we'd order pizza, drink beer, and mock horror films in the 24 hour lounge. On one particular occasion, we couldn't come to an agreement for pizza. We ordered from 4 different places, which is funny cause there was less than 10 in our group. 2 of the delivery guys actually showed up at the same time but thought they were just delivering to different dorm rooms. We thought about tipping them differently just to be obnoxious but didn't.

Man. Pizza, beer, and Friday the 13th Part VIII: Jason Takes Manhatten. That was a really good fucking night.

Also, I just had the rest of the pizza for lunch at work. It wasn't as good cold but still hit the spot. I meant to take a picture but totally spaced.

Pizza is love, pizza is life. Heck, pizza is also in my avatar!

I used to work as a pizza delivery guy at a local pizzeria around here, I could eat pizza for free and never got tired of it!

I like all kinds of pizzas, generally go with a more classic or pepperoni variant with an egg on top, lately I also really love Margherittas (no meat) as the cheese taste comes out wonderful!

We don't have big places such as Domino's or Pizza Hut here in my country, what are the typical prices and delivery times at those?

I'm Stanley HF's helper bot. This OP (original poster) of this thread wants everyone to see this page and has elected to bump it to the top of the showthread listing. Since HF doesn't want a ton of LQP (Low Quality Posts) this is the best method of bumping your content. There is a small ?yte fee for each bump. Any OP can bump any of their threads on HF from the linked icon on the top of their first post.

If you haven't already read the first post of this thread we encourage you to do so.

Thanks,
Stanley

You deserve this award in no way shape or form. First of all, it's supposed to approach you naturally, you have already ruined your chances by asking for it like this. Secondly, you gotta impress. Make your own pizza or something, you cant just order these crap pizzas from some place and post pic. Very dissapointed.

I also truly deserve the Pizza award..

I used to run a pizza place some years ago, ran it for 2 years and it was a lot of fun and I have a bunch of pictures back from that time as well both of the place and pizzas, and some with me in it

working in the kitchen and wearing necklaces made out of pizza dough. ?

I pray one day Omni acknowledges my Pizza award deserving-ness. ?
Best of luck on getting yours as well my man. :)

Hawaiian pizza has been on my mind lately; you could try that. Toppings include ham and pineapple though I often substitute pepperoni or bacon for ham. I'm just not a big fan of ham. Anywho, it's a perfect option for this spring weather. Here's a pic from my Ninja Turtles book. The call it the Sewer Surfer lol.

Or, if you have the option, you could always go with a Mac & Cheese pizza, referred to in the book as The Mac Attack.

There's a non so known bug that omni talked about in convo couple times. If you go for a 6months ban, after clicking confirm, you get that popup windows, if you click confirm then click on your profile fast enough, you won't get the 6mo ban and you can send a PM omni to claim the custom selected award. He will have to confirm in logs that you clicked the 6months ban but didn't get the ban.

This was a medium Pizza Hut pizza that was half pepperoni and half cheese. After baking it a little once delivered to the house (due to the pandemic), it was delightfully well done. When it comes to Pizza Hut, the quality is damn consistent.

I can't say your right or wrong. Some awards did have means, but aye now they can be tangible so easy. And the work load of giving out awards and noticing certain members for their rewards has now became award goal page to make it easier. I think some should be handed out to the people who deserve/nominate with proof maybe. Just a wide idea never the less.

I feel awards aren't being granted personally by Omni anymore and they lost most of their value. Checking the HF news will immediately show that almost no awards are manually granted. The last reported one was your WHH specifically.

Some are not suppose to be set paths. One award I don't like is the businessman award. There should be 3 color'd to signify the b-rating standing from a 100 vs 2000 member with legit deals. But hey that would allow someone to fake deals which we have seen in the past for ratings.

So it's been a hot minute but I've got an update. Ordered delivery a couple days ago from Little Caesar's and I have to admit that it was less than stellar. Half the pizza barely had any cheese compared to sauce and it should have baked longer. Still, it fulfilled its purpose in nourishing my body lol.

Today, we made another Totinos pizza and it was much better. I added some Little Caesar's spice pack to give it some zing.

And now for the best news; I'm getting the ingredients to make a pizza from scratch, or at least from basic ingredients. I don't do the shopping so I don't know if she's going to get the stuff to make dough or just buy premade dough. Stay tuned.

I am sure an admin has seen this thread by now, it might take a little more for the award to be handed out. I believe our comments are helping however

Demize - May 8, 2020, 2:58 pm

He must eat pizza everyday for 30 days to get the award

I even talked to my lady about this. She does the shopping. And she agreed that this is totally doable. It's not that far away from normal, actually.

A + - May 8, 2020, 7:57 pm

I made a double layered stuffed crust Chicken Parmesan pizza quesadilla thing once. It was actually a pretty cool thing.

???????????? - May 8, 2020, 7:59 pm

Okay, what if we all post pictures of us eating pizza everyday in this thread? Would be Topranked thread from past 100 years within a month?

Velma - May 8, 2020, 8:01 pm

That would require being a likable person with the ability to create something bigger, you seem to lack both these qualities.

Velma - May 8, 2020, 8:35 pm

going to make a pizza tomorrow will let you know how it goes.

Scooby - May 12, 2020, 11:08 am

So I finally made a home made pizza! I even had a pizza box to put it in. Super fancy, right?

Ok, truth time. I'm still waiting on my lady to buy the ingredients to make a pizza from scratch, so I stole my daughter's toy pizza set for the day. She won't mind, right?

Exposed74 - May 12, 2020, 11:10 am

Please stop getting this thread bumped, everytime it makes me think about pizza, and craving for it !
haha

Waiting to see your home made then !

?ystem - May 12, 2020, 11:42 am

My favorite pizza place is probably Jet's Pizza, especially their 8 Corner Pizza with Turbo Crust. A close second is Little Caesar's because they offer a very, very similar style pizza called the Deep!Deep! Dish Pizza. I'm a bit of a pizza-slut, I'm not going to lie.

funtela - May 12, 2020, 1:17 pm

Just passing through to see if you got the award yet. You'll get it soon, Scoob.

Squanchy - May 12, 2020, 1:18 pm

I love Panago pizza and Papa Johns (but only in the US). When I was a kid I also used to love little Caesars.

(Apr 27, 2020 02:11 PM)Scooby Wrote: [\[CITE\]](#) We've got a dozen pizzas in the freezer right now. Some is Totinos. Some is Red Baron. A couple are Wal Mart brand which I'm not as much a fan of, but you make do. We go back and forth between baking and ordering. And we switch up where we order from often, as well. So this thread should have a little variety at least lol.

Red baron thin crust is the best frozen pizza.
