Thread: [FloodCRM - Email / SMS / Phone SPAM | INVITE CODES | LIMITED ACCESS](#)

**Seren** - April 28, 2020, 9:34 am

People are apparently paying for these.

Not gonna bother selling them because I don't know why lol

Email Spammer / SMS spam / Phone Flood. (I don't own it, Russians own it, use google translate if you need to)

Like other services, you depo to your bal & use it. Pretty cheap.

Enjoy & stay safe everybody.
