Thread: [Destiny 2: Trials of Osiris Runs \[FLAWLESS\] \[XBOX\] *Guaranteed*](#)

This service is pretty straightforward. I've decided to make a few forum posts since I've had great success with this service on both eBay and LFG. You'll be hard-pressed to find a better price than the rate I'm offering, with some websites even charging up to \$40 per run.

What it Isn't

No account recovery is required, but it is an option I offer for slightly less money.

No DDoS'ing takes place.

Two Packages

Account recovery: \$15

I'll recover your account and complete a flawless Trials run for one character.

No account recovery: \$20

We'll queue together and we'll complete your flawless Trials run for the week. My novel method of matchmaking guarantees that the lobby will automatically grant us a win with no gameplay involved.

Only up to 3 flawless runs can be bought at a time. Each flawless run is considered separate and must be paid individually according to the method used.

Money-back Guarantee

I can guarantee with 99% confidence that there won't be any issues in completing your Trials runs that are related to matchmaking.

For the first few buyers I will provide proof of concept before a complete purchase order has been made. This will help with vouches and to establish credibility for future buyers.

For example: if you want one flawless run with no account recovery (\$20), you'll pay \$10 upfront and we'll queue 3 games together in order to demonstrate how it works. Once I've demonstrated proof of concept, you can send the remaining \$10 and we'll complete the flawless run.

If, for whatever reason that is the through the fault of my own, the run cannot be completed satisfactorily, a full refund will be offered.

Accepted Payment Methods

BTC

PayPal

Cashapp

Any questions here or via PM are welcome.

Since Trials is only available during the weekends, I'm accepting orders in advance to be completed for the same week.

For example, if it's Tuesday and you want flawless Trials runs on two of your characters, you can pay in advance and I'll prioritize your run--starting Friday--before others.

All runs will still be completed that same week, but some will naturally happen before others.

Let me know if you're interested! Trials begins tomorrow. I'll be making another thread soon for a similar service that includes boosting Glory rating all the way to Legendary status in competitive.
