Thread: [Another 500 GBP on eBay in less than 24 hours, increased prices - EZ money](#)

Eco Luko - April 29, 2020, 3:05 am

So if you didn't see my last thread where I made just under £2.5k on eBay in less than 2 weeks...

<https://hackforums.net/showthread.php?tid=6071580>

I'm back now, item relisted, tweaked - and prices increased. And what did that get me?

£500+ in less than 24 hours, so sweet.

(notifications don't show all payments, that's just some - look at the increase since my last video for actual)

If you're interested in this and from the UK, pm me :)

Also, do you like my hamster?

Looks interesting, are you drop shipping from alibaba?

PAXFun - April 29, 2020, 3:20 am

Well done!

That works only for UK?

Alibaba postage is far too long, kills sales man

Product I'm shifting is only UK distributed so yes sir. I will update if I come across an international money maker.

Congratulations on the sales! Much easier to use a platform like eBay than to make your own E-commerce site IMO
