i am interested in pp to btc

Thoth - March 3, 2021, 6:17 am

Was going to use you to convert a large amount of pp to btc, but your interest/conversion rate is boarder line highway robbery.. Maybe wanna try adjusting that if you plan to attract high volume customers. (Side note: I in no way am being rude/an asshole in anyway, I was posting this as an honest suggestion to possibly help you gain a bunch of customers.. didn't want my post taken the wrong way.) Either way, best to you mate! Contact me if those rob- I mean..... prices, drop lower.
