I got a vouch copy and here is my review;

Firstly i know it doesn't mean much but it mean't a lot to me, Right off the bat, he was extremely friendly.

I got my referral extremely quickly & it worked perfectly fine.

He is one of the cheapest on the market, if not the cheapest & would recommend him to anyone wanting to buy, he is legit & it is extremely quick.

Absolutely phenomenal service and support. I added OP on discord and he took time to explain to

me how Uber works and how much a ride would cost in my city. Purchased 1 referral from him and it came in very quickly, very happy with the support and the service, vouch 10/10 from me.
