Thread: [Growtopia Save.dat stealer](#)

Fakersson - April 30, 2020, 6:27 pm

Hello,

I'm looking for a person who can make me a save.dat stealer for a game called growtopia, basically how it works.

Growtopia has a file called Save.dat when you login it saves your info, so i need someone to make me a program which sends the save.dat stealer to my gmail.

Prices can be negotiated on discord.

Preferably under 25\$.

Discord : Reioahven#8521

Thank you, kind stranger.

Deadass just go find a basic ass stealer on github and modify it to take from that location. Won't be that hard at all.
