Thread: [\[\\$10\] SNAP LIVE FROM YOUR CAMERA ROLL | METHOD | iOS & Android](#)

**Morpheus** - May 1, 2020, 5:55 pm

FAKE LIVE SNAP METHOD This method will allow you to send fake snap in live from your camera roll.

This method works on iOS and on Android.

That's not the method of filters or lens. The receiver will not know that is a fake snap. Price : \$10

Payment Methods : BTC/ETH/Paypal [contract=tid]Start Contract[/contract]

(May 1, 2020 07:18 PM)Argen Wrote: [\[CITE\]](#) After receiving the vouch, I can 100% confirm this method works. It is extremely easy to do and literally takes less than 2 seconds. If you are looking for something like this, here you go. Well done \$kip!

100% vouch for this, great method, easy explanation too.

I lost a lot of victims due to the lens.

It shows when you are using a lens.

Yes on both.

**The Don** - May 1, 2020, 6:25 pm

I'll take a vouch copy if you are still offering it?

I will leave a very detailed review.

Thanks

He is selling an app that doesn't works (Or works but bad) for 25\$.

I'm selling a method that works.

I reduce the price to 10\$.

**TTTFreddy** - May 1, 2020, 9:08 pm

This isn't any filters right? Like Move?
