Please DM me with more information on this method, since it's pretty vague, thanks.

CC-ing [Eagle 95](#) cuz i'm not sure if this thread is a troll or not.

Also that opened contract will get you both closed if it's a troll thread.

Its a real ebook and method, also thanks for reminding me to complete the contract

Eagle 95 - May 2, 2020, 11:13 pm

I'm pretty sure this is a troll thread but I'll give you benefit of the doubt and not close your account. I'll just warn you for the violations you made during this thread.

1. You cannot wipe the OP contents. 25%
2. You cannot include someone's vouch if they aren't tied to the thread and have a contract with you. Luca doesn't. It doesn't matter if it's the same product, vouches must be tied to the thread via contract and TID. 25%
3. "Ofc" - lqp. 25%

That is 75% additional warning level. I did you a favor for not maxing you to 100% so please in future, make proper sales threads and try not to look sketchy.

EDIT: As I found out what you tried to sell I'm extending your suspension for 1 week more.

Ebooks on other ebooks aren't allowed. Omni banned that years ago and closed some members that tried to sell that. Do not sell that!
