Terms:

You only pay when you are satisfied.

You are allowed as many changes as you want during the project.

Once I've concluded the project, any changes wanted after that will cost a small fee.

You are allowed as many previews as you want during the project.

All projects must have a HackForums contract associated with it.

I am allowed to not do any project for any reason.

Just made an order, user is really nice and replies quickly.

Can't wait to see what he makes me :)
