2. Post! Your post number is your entry into the raffle.
3. The grand prize will be \$20. This can be paid in either BTC or PP, your choice.
4. Two runner-ups for the \$5 prizes will also be selected for a total prize pool of \$30.

I'm Stanley HF's helper bot. This OP (original poster) of this thread wants everyone to see this page and has elected to bump it to the top of the showthread listing. Since HF doesn't want a ton of LQP (Low Quality Posts) this is the best method of bumping your content. There is a small ?yte fee for each bump. Any OP can bump any of their threads on HF from the linked icon on the top of their first post.

If you haven't already read the first post of this thread we encourage you to do so.

Thanks,
Stanley
