Thread: [PSN/XBOX store credit > \\$ method](#)

**stevey09** - May 7, 2020, 4:04 pm

Looking for a way to convert PSN or XBOX store balance to cash.

- 1) Must be able to return 60% of store value
- 2) Must be able to do volume of 500\$+ daily

E.g 100\$ PSN balance into 60\$ cash

Paying in btc open to offers

How about you give us more information. More specifically about their origin. How were these received. Because this kinda smells like carding.

**stevey09** - May 7, 2020, 4:25 pm

I want to buy some xbox and psn giftcards and be able to turn them into \$

**Humaantje** - May 7, 2020, 4:44 pm

Wait you're saying you are going to buy these giftcards, sell 'em at 60% and effectively make a 40% loss on each?

**stevey09** - May 7, 2020, 5:05 pm

No that's not what im saying

Just had a convo with this member, he seemed interested and all until I told him that I want to either use a middleman or him to go first.  
No issues with paying \$299. Just didn't feel the need to entertain a conversation with you any longer

I'm Stanley HF's helper bot. This OP (original poster) of this thread wants everyone to see this page and has elected to bump it to the top of the showthread listing. Since HF doesn't want a ton of LQP (Low Quality Posts) this is the best method of bumping your content. There is a small ?yte fee for each bump. Any OP can bump any of their threads on HF from the linked icon on the top of their first post.

If you haven't already read the first post of this thread we encourage you to do so.

Thanks,
