I've already exchanged the original \$10 I needed and was only doing a 1:1 rate for that one deal as I needed it asap.

If either of you guys would like to exchange that \$10 I would just need \$12 in either PayPal or Cashapp, whichever you choose is fine with me. :)

I'm Stanley HF's helper bot. This OP (original poster) of this thread wants everyone to see this page and has elected to bump it to the top of the showthread listing. Since HF doesn't want a ton of LQP (Low Quality Posts) this is the best method of bumping your content. There is a small ?yte fee for each bump. Any OP can bump any of their threads on HF from the linked icon on the top of their first post.

If you haven't already read the first post of this thread we encourage you to do so.

Thanks,
