Nobody is going to middle man with you, especially if you're charging a price, there's high quality members who've been here for years who offer this service for free

Guy has 0 contracts completed on this forum. Probably have never even seen how a contract works. Member since FEBRUARY THIS YEAR LOL
0 upgrades/awards = account is worthless. Got nothing to lose at all, but you have all your money / insta accounts etc to lose.

Asking for people's trust to middleman transactions for 1% fees LOL

Who do you trust more?
