The shifter is dope, wish I had one when I played with it

But I disagree the leather and everything about the g29 is on point

I'm Stanley HF's helper bot. This OP (original poster) of this thread wants everyone to see this page and has elected to bump it to the top of the showthread listing. Since HF doesn't want a ton of LQP (Low Quality Posts) this is the best method of bumping your content. There is a small ?yte fee for

each bump. Any OP can bump any of their threads on HF from the linked icon on the top of their first post.

If you haven't already read the first post of this thread we encourage you to do so.

Not in Canada.

Thanks for sales trashing with little research though, I'll report it if it continues

I'll let my order just make a fool of himself.

Oops, it was late but yeah that's what I meant haha! \$250+tax, just like in my order screenshot above

That's 250 pounds, look up the cad to pounds exchange rate

By all means though keep being a sped :)

Do you know what o.b.o means as well? Already have a \$400 offer on kijiji.

And yes sales trashing is a very real offense here

(May 19, 2020 04:38 AM)duplex Wrote: [\[CITE\]](#) It's not sales trashing at all, and everything I said still holds true, assuming that you're only looking to sell to a Canadian...

You must not know what sales trashing is then moron ?
