what is the definition of a snitch?: Merriam Webster lists the following words as synonyms for snitch: Betrayer, Canary, Deep Throat, Rat, Fink, Stool Pigeon, and Stoolie. But suprisingly the most closely related synonym remains absent from the list. Bitch. I define a snitch as simply being, a 'bitch'. Lets take a look at the definition of bitch. Urban dictionary defines 'bitch' as, someone who is

inconsiderate and insensitive. I agree with that sentiment very much.

No I just shouldn't even be awake right now, and a proper tourn takes hours. Losing my sleep schedule for a forum icon just doesn't seem appealing to me.

My offer stands if my Kirby gang was apart of it id be more inclined to join since it would be almost an event for us.

I won't give you a pink name unless you pay the buy-in or earn it from winning a tourney

but yeah you guys can get in for 1k bytes or \$5

and... this tourney shouldn't last longer than 1-1.5hrs, super turbo 3 min levels.

Well, I don't have much hopes in getting accepted but I still remember when Ash Ketchum used to have bytes addiction ;D I see now you got your addiction fixed.

Despite my hopes I'm still applying:

Definition of a snitch: is a weak person who has no stance on which team he wants to side with but they always side with the team who has a leverage on them.

What move is Kirby notorious for in smash bros?: I'm going to be honest, I've never played smash bros, but I guess a simple google search can do the trick. Kirby can suck up the abilities of other characters where Kirby will take on an element of that character's appearance.

Are all coppers dogs?: Yeah, I believe all coppers are dogs.

Stanley - May 23, 2020, 5:28 am

I'm Stanley HF's helper bot. This OP (original poster) of this thread wants everyone to see this page and has elected to bump it to the top of the showthread listing. Since HF doesn't want a ton of LQP (Low Quality Posts) this is the best method of bumping your content. There is a small ?yte fee for each bump. Any OP can bump any of their threads on HF from the linked icon on the top of their first post.

If you haven't already read the first post of this thread we encourage you to do so.

Thanks,
Stanley
